The process for identifying and vetting potential candidates will include the following:

- A. Conduct Needs Assessment
When a vacancy on the Board is anticipated or occurs, the Executive & Audit Committee (Committee) will conduct a needs assessment by analyzing the present Board membership against the composition identified in Section III. In conducting the needs

assessment, the Committee will consider the results of the most recent self-assessments conducted by the Board.

B. Vet Potential Candidates

Based on the Committee's needs assessment, the President will identify potential candidates. To assist the President in identifying potential candidates, the Secretary of the Board will maintain a list of individuals submitted by sources such as Trustees, the President, senior administrators, alumni, and others. The President will vet potential candidates in consultation with the Board Officers. Vetting will include a discussion with potential candidates about the responsibilities of serving as a Trustee and their interest, readiness for nomination, and fit with the desired characteristics.

C. Present Recommendations

The President will present recommendations to the Committee for potential candidates who are willing to serve and who satisfy the needs identified by the needs assessment conducted by the Committee.
