Charge

The Commencement Committee is appointed by the Provost.

This committee serves in an advisory capacity to the Provost and Executive Vice President and is responsible for planning and implementing OSU's university-wide Commencement ceremony (held in Corvallis) and advising on the coordination of unit Commencement ceremonies, including those held at OSU-Cascades and at the department, school, and college levels.

Commencement is Oregon State's most important and visible academic celebration. Commencement serves as an important milestone in the lives of our graduates – our future alumni – and is an event that creates a positive, lasting memory of OSU. Commencement also represents the very best of our University for our graduates' family and friends. Additionally, this event has significance for our campus community, and has meaningful impacts, including financial impacts, for our City and State.
