

## Academic Strategies Committee 2024 Work Plan

Approved October 19, 2023

### Framework for Organizing Committee Work

Meeting agendas generally consist of:

1. Provost's report, including top-of-mind issues, leadership search updates, academic and accreditation status report, and other follow-up or emerging items.
2. Briefings associated with each of the major areas of the committee's charter. All briefings cover all of OSU (campuses in Corvallis and Bend, Ecampus, and other locations and programs), breaking trends and other information out as appropriate.

In advance of the meeting, trustees receive a concise written report on the briefing topic that covers four areas:

- a) Progress on metrics, particularly those adopted as part of the university's strategic plan, but also any unique metrics used in the specific domain;
- b) Progress on special initiatives and projects introduced in prior briefing(s);
- c) New projects and initiatives adopted or under consideration since the last briefing;
- d) Opportunities and threats facing the university in the domain and anticipated or potential actions to capture the opportunities and counter the threats (including addressing any continued impacts to the domain stemming from the COVID-19 pandemic, if applicable).

*The presentation before the committee will not summarize the written report.* Instead, it will call attention to the most critical issues in the given domain and raise questions that would benefit from committee members' input and counsel. The presentation will focus on items (c) and (d) above. The meeting agenda will set aside time for committee members to ask questions about the report and/or presentation, probe for additional detail, and raise special topics for consideration in subsequent meetings.

3. Special topics, surfaced in response to briefings or other trustee concerns and questions.
4. Academic program changes, as needed.
5. Annual risk reports for risks assigned to the committee (national trends related to risk, progress addressing risk, plans for the next year).
