

# The Office of Audit, Risk and Compliance

## 2025 Accountability & Integrity Hotline Update

Lynn Gonzalez

Director – Integrity Hotline Program

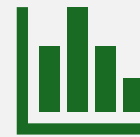

Oregon State  
University

# Agenda

Why the hotline matters for institutional risk and cultural

What the 2025 data tells us about effectiveness

How the program continues to mature

# Why is the Accountability and Integrity Hotline Important?

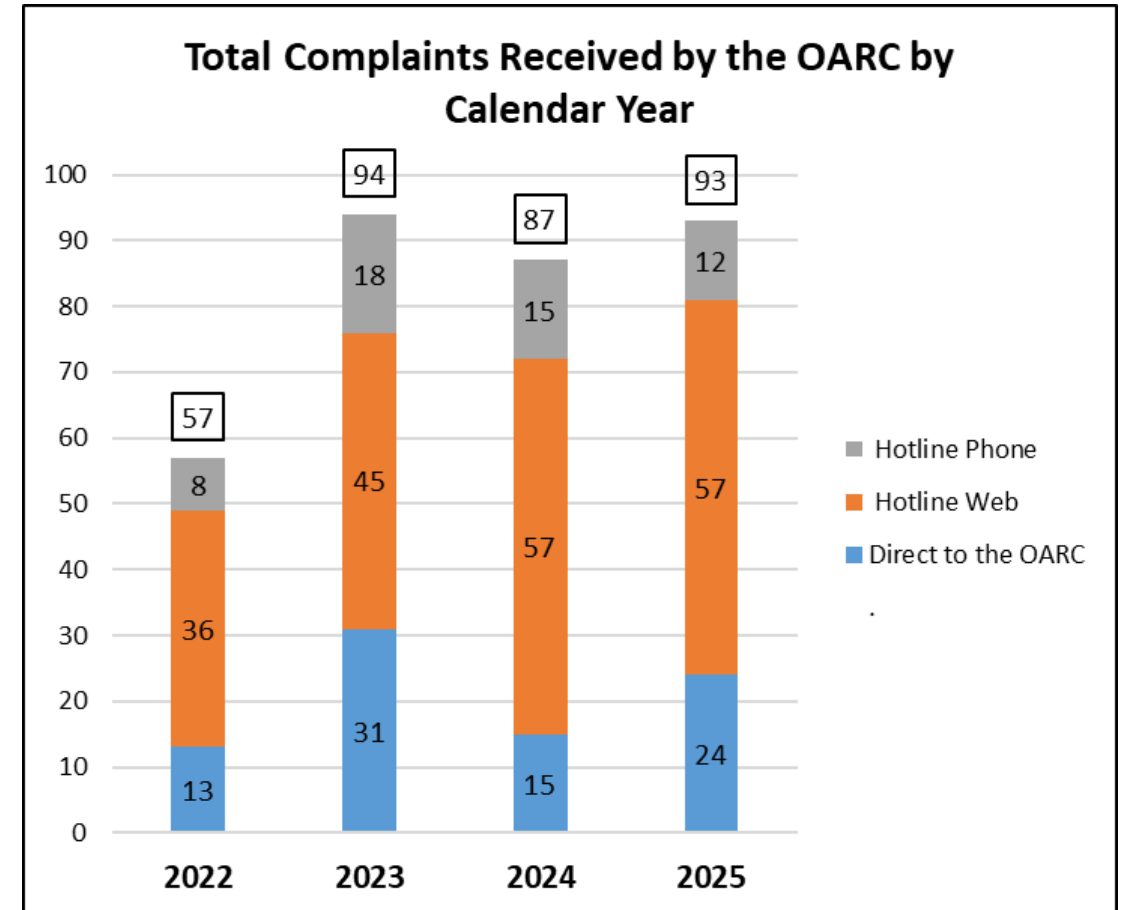

It supports an ethical community and culture by:

- Being the primary source of fraud detection
- Provides a safe, anonymous way to report issues
- Promotes an ethical culture

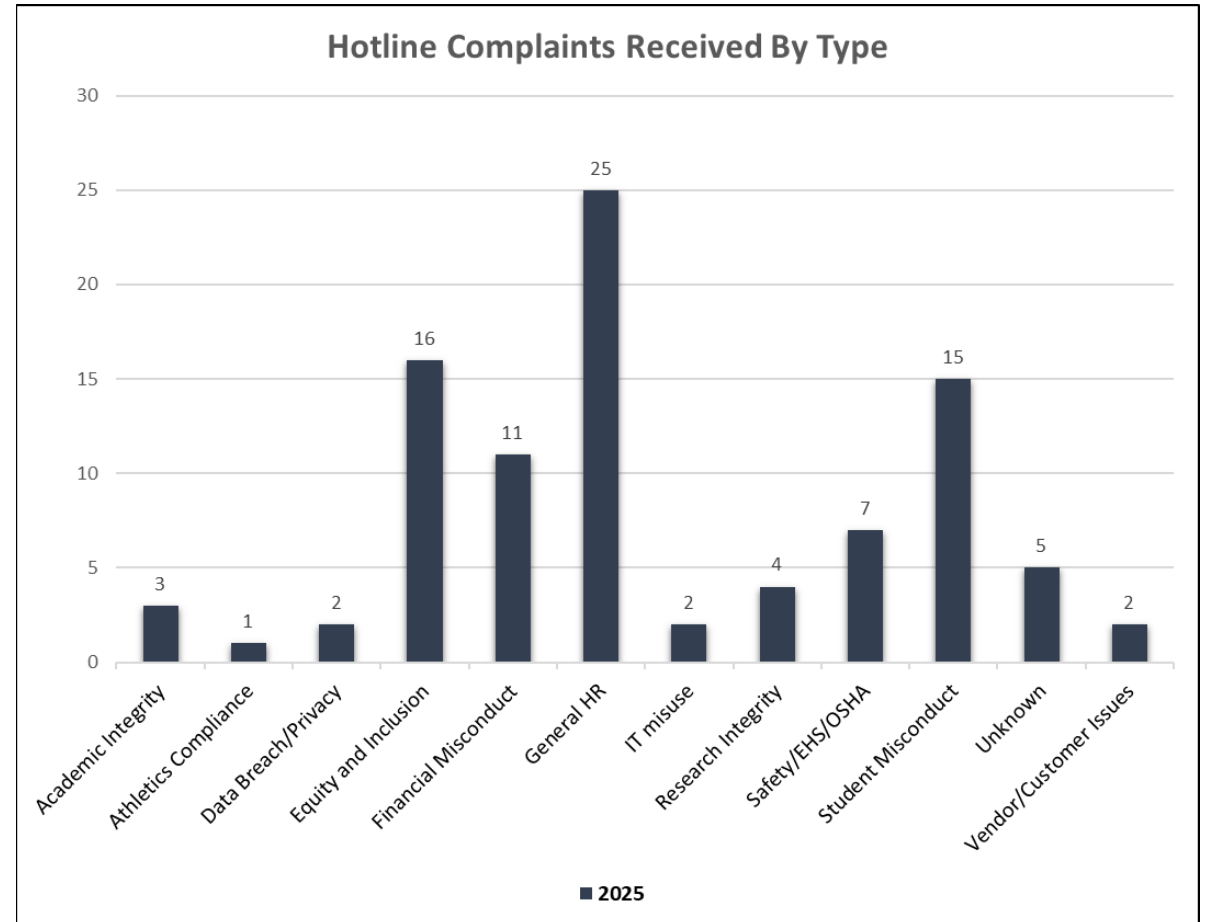

# 2025 by the Numbers

- 93 reports received
- 82% were referred to partner units and within 2 days of receipt
- 58% of reports were submitted anonymously

# 2025 by the Numbers Continued

- HR, Equity and Inclusion, and Student Conduct were top allegation categories
- 96% of 2025 hotline have been reviewed/investigated and closed
- Increase in student reports

# Measuring Effectiveness

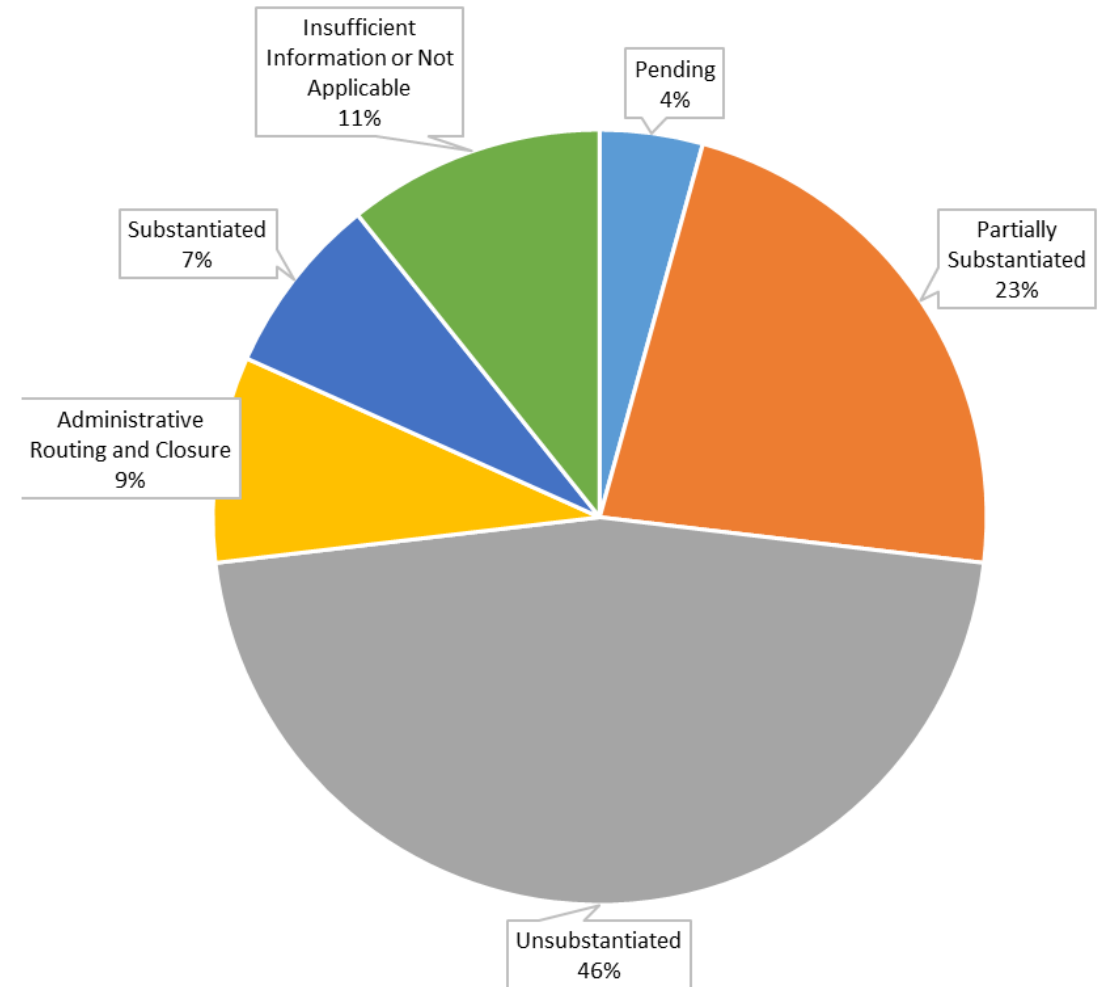

- Benchmarking: How OSU compares
- Outreach: How awareness is built
- Resolution: How efficiently issues move forward

# Hotline Effectiveness: Moving from Volume to Cultural Insight

- Reporting volume
- Substantiation & case outcomes
- Institutional & cultural health

2025 Case Outcomes

# Continual Improvements to Enhance Impact

- Strengthen awareness and trust
- Improve accessibility and transparency
- Reinforce consistent messaging
- Evaluate intake process enhancements
