

RESOLUTION NO. 21-04

**Oregon State University
Tuition and Mandatory Fees
For Academic Year 2021-22 and Summer Term 2021**

Whereas, the Board of Trustees of the Oregon State University (the "Board") has the authority to determine tuition and mandatory enrollment fees in accordance with ORS 352.102 and ORS 352.105, and other applicable law;

Whereas, the Board adopted a Tuition and Fee Process on January 16, 2015 and most recently amended on October 18, 2019 setting out the factors considered by the Board in setting tuition and fees;

Whereas, the Board authorizes the collection of mandatory incidental fees recommended by the Acting President of the University and the recognized student governments (ASOSU and ASCC) and established in accordance with provisions outlined in ORS 352.102, ORS 352.105, and other applicable law;

Whereas, the university has recommended tuition and mandatory enrollment fees for Academic Year 2021-22 through the work of university groups including undergraduate students, graduate students, faculty and staff;

Whereas, the Acting President, after considering historical tuition and fee trends, comparative data for peer institutions, the University's budget and projected costs, and anticipated state appropriation levels, has approved most of the tuition and all of the mandatory fee recommendations for consideration by the Board;

Whereas, after consideration of the impact on students and OSU's commitments as the state's land-grant university, the Acting President modified the recommendations to instead recommend, for students at Corvallis and Cascades, a 2.5% increase in tuition for continuing resident and non-resident undergraduate students and a 4% increase for new resident and non-resident undergraduate students;

Whereas, the Acting President has reported to the Board the nature and outcomes of consultations with students and others, including any significant disagreement; and

Whereas the Board has considered the desire to create affordable access to degree programs, create a diverse student body, maintain strong degree programs at every level, and develop and maintain the human and physical infrastructure necessary to support Oregon's educational outcome goals;

Now, therefore, the Board of Trustees of Oregon State University hereby approves the Academic Year 2021-22 and summer 2021 tuition and mandatory fee schedule attached hereto as Exhibit A.

This Resolution is effective April 2, 2021

(1) A one time Matriculation Fee of \$350 is assessed to all new and transfer undergraduate and graduate students.

(2) Rates apply to all majors not otherwise noted in tables

(3) Applies to all degree programs and certificates except the Ph.D, which is charged at base graduate rates

(4) All degrees in the College of Engineering except Medical Physics

(5) Applies only to the MPH degree

(6) Veterinary Medicine is full-time program only. Veterinary Medicine students are not assessed the overtime fee. This exception to the general policy for other graduate programs results from the Veterinary Medicine curricular design which requires carrying larger SCH loads in certain terms for normal progress toward a degree. Fourth Year students taking a series of study, externship, and clinical rotations from the beginning of Finals Week in June to the end of Dead Week the following June are assessed the four term fees during that period of time. Fee payment dates will correspond to normal fall, winter, spring and summer term schedules.
