OSU COVID-19
SAFETY AND SUCCESS
OPERATIONAL PLAN
Plan Development

• University-wide Planning – CMT
  • Domains (Instruction, Research, Extension, Student Services, Operations)
  • OSU-C, Hatfield, Portland Center
  • Sub-groups and stakeholders
  • Close partnership with BCHD

• Statewide and Coordinated
  • Publics, Privates, CC’s
  • OHA and HECC
### Executive Order

1. In-person instruction, research, and residential activities at colleges and universities may only take place if they comply with the minimum standards.

2. By September 1, 2020, each public university and community college must develop, and submit to its governing board, and the governing board must approve a written plan describing how the institution will comply with the standards.

3. Each college and university must designate an employee or officer to implement, and enforce, or supervise the implementation or enforcement.

4. Other college and university functions must comply with other applicable Executive Orders and sector-specific OHA guidance.

### OHA Guidelines

1. Each college and university will have the flexibility to determine how and when students return, but must meet, at a minimum, the public health requirements contained in this document.

2. College and university determinations about the resumption of on-site operations must be informed by local circumstances and regional readiness, in consultation with their Local Public Health Authority.

3. Colleges and universities shall provide the greatest level of choice and flexibility to equitably support student access and success in their education while minimizing risks to students and staff.

4. [OSU Resumption Plan](#) – Compliance and Operations
Prevention and Response

Prevent
Community-level prevalence testing, increased sanitation protocols, social distancing and public health measures such as face coverings.

Test
Diagnostic testing available for every student and staff member suspected to have COVID-19.

Trace
Identify virus transmission within a community by contact tracing.

Isolate
Employees and students with symptoms to self-isolate.

Contain
Employees and students with close contact with confirmed or suspected COVID-19 cases to self-quarantine for 14 days.

Care
Care and support provided to affected students, including medical care, access to food and support in their academic progress.
Public Health Condition Levels and Operations

CORVALLIS AND OSU-CASCADES CAMPUSES ARE CURRENTLY AT **LEVEL 2**

OSU’s onsite operations at a given location vary depending on condition level.

**Level 1**
- Reliable treatment and/or vaccine.

**Operational Conditions**
- New-normal environments.

**Level 2**
- COVID-19 in area.
- Protective measures effective.
- Available response capacity.

**Operational Conditions**
- Mix of in-person, remote and online instruction.
- Low-density environments.
- Public health measures in place.

**Level 3**
- Prevalence increasing in area.
- Protective measures stressed.
- Response systems at capacity.

**Operational Conditions**
- Limited in-person instruction.
- Small groups only with approval.
- Further reduced density.

**Level 4**
- Uncontrolled outbreak in area.
- Response systems overwhelmed.
- Governor at-home order in place.

**Operational Conditions**
- No on-site non-essential activity.
- Remote instruction only.
- OSU buildings closed.

“We will meet you where you are!”

Instruction  Research  Extension

Residence Halls  Student Services  Financial Support

Testing  Policies  Athletics
Instruction

- IN-PERSON
- REMOTE
- BLENDED
- ECAMPUS
Residence Halls

- Open for students for whom living on campus is the best option for them
- Live-on requirement expanded
- Tests provided upon arrival if testing environment allows
- Tests provided for symptomatic and primary contacts
- Isolation and quarantine space reserved across campus
- Added community expectations
Athletics

- Resumption of physical activity
- Pac-12 current status
- Our path forward
Questions
Recommendation

Staff recommend that the Board approve the university’s plan specified in Executive Order No. 20-28, as provided in attachment 1.
