

Public Safety Update

Board of Trustees
Executive & Audit Committee
October 15, 2020

Community Engagement

- Public Safety Advisory Committee (PSAC) receiving updates from other campus safety partners
 - ✓ Counseling and Psychological Services (CAPS)
 - ✓ Center for Fraternity and Sorority Life
 - ✓ University Housing and Dining
 - Survivor Advocacy Resource Center
 - Student Care Team
 - Human Services Resource Center
 - Student Conduct and Community Standards
- Assessment of needs ongoing
 - There is a clear need for after-hours holistic support for people in crisis beyond a public safety response.
- Community, Wellness Education & Safety Network initiative underway

Strategy Elements

Objectives

- 1. Improve OSU coordination and delivery of crisis prevention, response and support services.
- 2. Help ensure most appropriate response resources are engaged during crisis.

Solution

Community Wellness & Safety Network: Network of university programs that coordinate prevention and intervention for students in crisis. Coordinates situational stabilization of crisis and provides crisis assessment, resource referral and advocacy.
