CANDIDATES FOR PUBLIC OFFICE

- 1) In accordance with the Oregon Constitution, it is Board policy to allow employees to seek political office and to serve in the event of election. Before an employee shall become a candidate for any public office, whether for a salaried

or nonsalaried position, the employee is expected to consult with the Ppresident or their designee.

- 2) Political activity shall in no way interfere with the performance of the major duties prescribed by the Board and the Ppresidents.
- 3) Because circumstances under which a campaign is conducted will vary widely depending on the nature of the elective office and the extent of opposition, the determination of whether an employee may continue full-time duties while conducting or engaged in a campaign rests with the employee's Ppresident or their designee. In the event of election to the State Legislature, an employee normally will be placed on leave of absence without pay during the period of full-time responsibility. If elected or appointed to a full-time salaried office, the employee may be placed on leave of absence without pay during the term of office or may be required to resign.
