Oregon: an inspiring place to live and learn

- safe and green environment
- lively campus with excellent choices of social, sporting and club activities
- less than two hours from Portland – a top 10 city for shopping and dining
- regular flights to Seattle, California and all US destinations and beyond
- 45 minutes from the sea with a wide range of beautiful beaches to explore
- stunning Cascade Mountains to the east and the Pacific to the west

‘I especially like the cultural events on campus. Oregon is beautiful and California, Seattle, and Portland are very close.’
