

RESOLUTION NO. 15-01

**Oregon State University
Tuition and Fee Process**

Now, therefore, be it resolved by the Board of Trustees that tuition and fees will be established pursuant to the following process:

Tuition and mandatory enrollment fees are established annually by the Board, generally at the Board's meeting in March prior to the applicable academic year. When setting tuition and fees, the Board considers a number of factors, including the desire to create affordable access to degree programs, create a diverse student body, maintain strong degree programs at every level, and develop and maintain the human and physical infrastructure necessary to support Oregon's educational outcome goals.

The Board's consideration of tuition and mandatory enrollment fees will be based on the recommendation of the President, who will consult with ASOSU, ASCC and enrolled students in developing the recommendation. The President will report to the Board the nature and outcomes of consultations with students and others, including any significant disagreements. The President's recommendation will include considerations regarding historical tuition and fee trends, comparative data for peer institutions, the University's budget and projected costs, and anticipated state appropriation levels.

The Board delegates to the President the consultation with ASOSU and ASCC in their establishment of a process for requesting student incidental fees.

This Resolution is effective January 16, 2015.

Secretary to the Board
