February 13:	University Day
February 20:	2 nd Chamber deadline to post work session
February 25:	2 nd Chamber deadline to hold work session
March 8:	<i>Sine Die</i>

OSU's Legislative Policy Issues

Hemp

1. Formalize Oregon's State Plan for hemp to comply with federal regulations under the federal Farm Bill.
2. Establish a Hemp Commission. The state commission will enable industry funding for research and position Oregon nationally in the hemp market.

Ocean Acidification and Hypoxia (OAH)

Support **\$1.9 million** in funding to support critical OAH research (to Oregon Department of Fish and Wildlife, Ocean Science Trust, and OSU).

Campus Hunger and Housing Insecurity

Working with a coalition of stakeholders to pursue a bill that collects data about food and housing insecurity among college students.

OSU's Legislative Policy Issues Continued

Sports Betting

Legislation to prohibit the Oregon Lottery from extending sports betting to include college sports.

Student Athletes' Name, Image & Likeness

Legislation to allow student athletes to be compensated for the use of their name, image or likeness. California passed similar, although narrower, legislation in 2019.

Improve credit transfer

Better manage the process in which universities consider accelerated learning programs delivered to high school students.

Health care for part-time faculty

Establish and fund health insurance for faculty who work at multiple campuses.

OSU's Capital Requests

OSU-Cascades Student Success Center

\$12.9 million in state bonds, matched by an additional \$5 million in student-approved fees (*Students have already committed \$1 million in student fees for this project.*)

Arts & Education Complex

\$35 million in state bonds, matched by an additional \$35 million in donor and University funds.

Cordley Capital Renewal (Phase II)

\$28 million in state bonds for a second phase, matched by an additional \$28 million in university bonds.
