

# Campus Safety & Emergency Response

Ron Adams

Mike Bamberger

Oregon State Police Lt. Eric Judah

# Overview

- Opening Comments – Ron Adams
- Campus Safety & Emergency Response – Mike Bamberger
  - Adaptable Structure for Managing Incidents
  - Proactive Approach
  - Continuous Improvement
- Coordination – Lt. Eric Judah

# Campus Safety & Emergency Response

- Covers a range of possible incidents and emergencies from minor medical and student behavior to mass casualty
- Incident management structure:
  - Adaptable to the size and scope of the emergency
  - Manages planning, logistics, financial, operations, safety, and other issues related to all incidents or emergencies
  - Follows the Federal Emergency Management Agency model

# Campus Security

- OSU Department of Public Safety
  - Unarmed and unsworn officers
- Oregon State Police-OSU Area Command
  - Armed and sworn troopers

# Emergency Management Planning

- Relies on a command structure
- Requires an updated emergency management plan
- Includes effective and timely crisis communications

# Proactive Planning Approach

## Outreach to:

- OSU community and Corvallis community members
- Partnerships with OSU faculty and Associated Students of Oregon State University
- Collaboration with Benton County, Willamette Criminal Justice Council

## Awareness education programs:

- “Run, Hide, Fight”
- “See Something – Say Something”

## Prevention efforts

- Threat Assessment Team

# Continuous Improvement

- ‘After Incident Action Reviews’ (AAR) to learn from events on campus and elsewhere
- Incident command training for staff
- Tabletop exercises
- Use of force training for patrol staff
- Cultural awareness training for all patrol staff
- Greater focus on community policing that connects directly with students
- Conduct campus security assessment

# Coordinated Approach

- OSP is the lead OSU Law Enforcement Agency
- Corvallis Police Department
- Corvallis Fire Department and Emergency Medical Services
- Benton County Sheriff's Office
- Federal Agencies
